Municipality: Dillsboro
Date of Application: December 21, 2022
Project Name: Public Seating and Event Signage Upgrades
Project Description: Dillsboro hosts four major events each year, The Easter Hat Parade, Front Street Arts and Crafts Show, ColorFest, and Lights & Luminaires. These events attract several thousand visitors to our area and require closing streets, redirecting traffic, and the designation of event parking areas. This year the town would like to use the municipal grant funds add additional benches along Front Street and purchase new directional signage and traffic cones for events. Additional benches will provide added seating for visitors to Dillsboro, encouraging them to stay longer and making that stay more enjoyable. Improved event signage will also enhance the visitor experience by clearly delineating traffic flow, parking areas, and shuttle service. Pedestrian safety will also be improved, and event coordinators will benefit from having uniformed signs and cones. The included vendor estimates may change slightly, and shipping costs are not guaranteed.
