Municipality: Town of Dillsboro
Date of Application: October 30, 2019
Project Name: Improved Park Signage and Seating Upgrades
Project Description: The Town of Dillsboro maintains three parks and two public restroom buildings. Current signage posting rules for the parks have become very faded and in disrepair. Additional benches are needed at several locations throughout town, near the public restrooms and along the Scotts Creek area. The outdoor grill at the handicapped picnic area in the Dillsboro Picnic Park also needs to be replaced. Utilizing the County Municipal Grant funds for these improvements will allow the town to complete this project in a more timely manner and not have to defer these projects until the end of the fiscal year. **Use Extra Paper If Necessary**
