

USING JACKSON COUNTY'S RECYCLING CENTERS

Designed for residents of Jackson County, this easy reference guide on the county's waste and recycling services tells how to properly prepare your recyclables and dispose of other special wastes.

Jackson County operates and maintains Staffed Recycling Centers (SRCs) listed on the back of this brochure. These drop-off centers are for residential waste and recycling only. All commercial and business waste generators must contract with a private waste hauler or take waste directly to the Transfer Station. For more information, visit: jacksonnc.org/solid-waste-and-recycling

Use this map of Jackson County to find the nearest convenience site listed on the back of this brochure.
