Angie-

I respectfully request the Board of Commissioners of Jackson County appoint Charles Easton to a full 3-year term as a member of the Community Advisory Committee for Long Term Care. Charles has completed his initial 1-year term and is ready for an appointment to a full term. During the past year he has completed his orientation training and has participated in additional educational sessions related to the work of the Community Advisory Committee for Long Term Care. In addition, he has added greatly to the regular visits to the facilities as he advocates for quality of care the facility staff members extend to the residents of the facilities. He is an asset to the work of this group and an excellent member.

Please send written verification to me once the Board of Commissioners of Jackson County have acted on this recommendation.

Mary Culp has not been able to serve on the Community Advisory Committee for Long Term Care for some time due to health related issues. Therefore, I do not recommend her reappointment.

Thank you for all you do on behalf of the residents of Jackson County. If you have questions or need additional information please do not hesitate to get in touch.

Onward!

Larry

Good afternoon, I noticed that two appointments are due to expire on the Community Advisory Committee for Long Term Care: Charles Easton 7-7-15, Mary Culp 7-16-15. Do you have recommendations for the Commissioners for these appointments? Since we have only one meeting in July (July 9th) I would like to try and put these on that agenda, if that is agreeable with you. Thank you!
