Chuck Wooten
Jackson County Manager

Chuck,

Upon review of the 2015 Property Tax Calendar distributed by the North Carolina Department of Revenue, the first item listed for the new fiscal year is the appointment of the County Tax Assessor by the county board of commissioners. This is in accordance with N.C.G.S. 105-294(a); "... the appointment of the Tax Assessor is to occur by the first meeting in July". Under that same statute, other than the initial appointment, the rest shall be for a four (4) year term. My last appointment was June 20th, 2011. I believe Angie has a reappointment item already entered on the June 18th meeting agenda. I just wanted to make you aware, if you were not already.

Should you need more information or documentation, I will be glad to provide anything requested. Thank you in advance for assistance with this requirement and also your continued support of me and the Tax Administration Division.

Regards,
