## County Manager's Fiscal Year 2021-2022 Budget Message

May 18, 2021

Jackson County Commissioners,

The proposed Fiscal Year (FY) 2021-2022 General Fund Annual Budget for Jackson County is in the amount of \$71,666,678. This proposal constitutes an approximate decrease of 2.20% (\$1,569,352) under the FY 20-21 amended budget. The budget is balanced and prepared in accordance with the Local Government Budget and Fiscal Control Act, presenting appropriations by categories of expense and revenues by source. All proposals within the general fund are based upon a budget with a tax rate of \$0.36 per \$100 of value. The revenue neutral rate is \$0.3447 per \$100.

### EXPENDITURES HIGHLIGHTS

The following pie charts illustrate Jackson County's proposed "Total Expenditures By function" for the General Fund.

#### Total Expenditures By Function- \$71,666,678

## CATEGORICAL OVERVIEW

### ***PERSONNEL / INSURANCE***

The proposed FY 21-22 budget contains personnel recommendations. The recommendations include:

1. One step (2%) increase for all employees.
2. A salary study to be completed in FY 21-22.
3. Additional Career Path Adjustments and New Positions.
4. Hospital / Dental Insurance Adjustments, Worker's Compensation, Liability Insurance.

It is recommended that all employees move up one step in the current grade and step plan. This action is necessary to maintain the career path system. Approximately \$426,082 is budgeted to implement a one-step increase for all employees. No Cost of Living Adjustment (COLA) is included in the proposal.

We had multiple requests for salary reclassifications and salary adjustments. Currently we are having hardships in employee hiring and retention, especially in Public Safety and Health Care professionals. I am recommending a salary study be conducted and I have set aside \$1,000,000 in this proposal for a phased implementation. Several of our neighboring counties are currently conducting salary surveys. Failure to reserve budgetary capacity for these needs will result in our inability to competitively recruit and retain essential personnel.

The following career pathway changes and position adjustments are recommended to be funded.

1. **Fire Operations** - Reclassify the Fires District Services Coordinator positions from a Grade 18 to a Grade 20 and add indirect time to a Fire District Services Coordinator position.
2. **Health and Code Enforcement** – Reclassify the One Stop Processing Asst IV positions from Grade 15 to Grade 17 and transfer two of the Processing Asst IV positions from Code Enforcement to Health.
3. **Health** – Reclassify a WIC Office Asst III position to a 50% Nutritionist II position at Grade 22 (a net savings of \$7,915) and add indirect time to a Public Health Nurse II position.

The following additional positions are recommended to be funded.

1. **Garage** - Create a new part-time position.
2. **Fire Operations** – Create 5 new Fire District Service Coordinators at Grade 20.
3. **Grounds** – Create a new General Utility Worker III position to be hired on 01/01/2022.
4. **Sheriff** – Create an Investigator/Detective position at Grade SH48.
5. **Solid Waste** – Create a new part-time position for wash down and equipment operation.

Hospitalization / dental insurance premiums will increase by 3%. The employee rates will remain the same. Worker's compensation insurance will increase by 2%. Liability insurance will increase by 2%.

### ***CAPITAL & CAPITAL IMPROVEMENTS***

There are capital and capital improvement needs in the amount of \$2,264,341 that should be addressed in FY 21-22. The recommendations are as follows:

Equipment:   \$927,341

Highlights under this category include computers, servers, printers, software, phone systems, garage equipment, cleaning equipment, grounds maintenance equipment, recreation equipment, law enforcement radios, cameras, shotgun replacements and emergency communication equipment. It is being recommended that the majority of these expenses be delayed until after the audit is complete.

Vehicles:     \$292,000

Highlights under this category include \$292,000 to replace 8 vehicles at the Sheriff's Office. The normal replacement cycle is 7 replacements.

Improvements:   \$1,045,000

Highlights under this category include painting, repair of walkway awnings and sidewalks at the Cashiers Library and upgrades for the HVAC Control Module and software for the Cashiers Recreation Center. Also, 3 picnic shelters and additional sidewalk extension will be added at the Cashiers Recreation Center. The Jail facility will have exterior painting, fence enhancements, and main control renovations. HVAC for the Jackson County Library will be replaced and anti-bacterial units will be added to the Justice Center. New gutters will be installed on the Department on Aging facility. Paving of the walking trail and handicapped access paths will be completed at the Cullowhee Recreation Center. A new picnic shelter and pumptrack will be constructed at East LaPorte. One section of paving will be completed at Mark Watson Park, and the upper bathrooms renovated at Andrews Park. **NOTE: It is proposed that these projects be funded from three different sources - \$493,500 from General Fund, \$500,000 from CPR Fund and \$51,500 from the Greenway Project Fund.**

### ***FY 2018-2022 FACILITY CAPITAL IMPROVEMENT PLAN***

The adopted FY 2018-2022 Facility Capital Improvement Plan sets aside funds for three major facility projects: 1. Health Department / One Stop Permitting Center 2. Animal Rescue Center 3. Justice Center Renovations. The Health Department / One Stop Permitting Center has been completed. The project construction for the Animal Rescue Center is currently underway. Schematic design work for the Justice Center Renovations will begin at the end of FY 21-22.

## ***JACKSON COUNTY BOARD OF EDUCATION***

### **Current Expense**

### **Capital**

40% of the Article 40 (½ cent) sales tax and 60% of the Article 42 (½ cent) sales tax go to public schools for capital. In FY 21-22 the following items are proposed to be funded:

Capital Outlay:	\$235,000

<b>Total</b>	<b>\$1,355,700</b>

It is recommended to budget an additional \$1, 088,774 for public school capital expenditures in FY 21-22 out of Articles 40 and 42 sales taxes. It is also recommended to budget an additional \$1,827,842 out of the Article 46 sales tax fund in FY 21-22 to be used for educational purposes. The additional \$2,916,616 will be used for facility safety upgrades.

## ***SOUTHWESTERN COMMUNITY COLLEGE (SCC)***

It is proposed to allocate \$2,401,296 (a 14.78% increase) to SCC in current operations for FY 21-22. Additional current operations in the amount of \$267,445 for the new Health Science Building is included in the increased amount. The proposed general maintenance capital outlay appropriation is \$312,781. Major items in capital include an update to the exhaust system for welding booths, a tractor, mower, fleet vehicles and various renovations to the facilities.

## ***JACKSON COUNTY LIBRARIES: FONTANA REGIONAL LIBRARY SYSTEM***

It is proposed to allocate \$1,201,566 (a 2% increase) to the Fontana Regional Library System to operate both the Jackson County Library and the Albert Carlton Library.

## ***OTHER APPROPRIATIONS***

There are many agencies that have requested funds from Jackson County. I have divided these discussions into three categories: 1. Safety – Fire, Forestry, Rescue, EMS  
2. Community Development Centers (CDC) & Non-Profits. 3. Contingencies

### Safety – Fire, Forestry, Rescue, EMS

It is proposed that Sylva, Canada, Savannah, Balsam and Qualla Volunteer Fire Departments and the Glenville – Cashiers & Jackson County Rescue Squads receive a 2% increase in allocation. Also, proposed is an additional Fire District Service Coordinator for each of the fire departments. An additional \$129,090 is included for fire calls. Matching funds will be available for equipment purchased under grant funding.

Cullowhee Fire Department is being funded at \$1,076,789. This will enable the department to have paid members on staff 24/7. The increased number of calls and property coverage has necessitated this change. Mutual aid is provided to other departments within the County.

It is proposed that the Forestry Service receive funding of \$108,594, an increase of \$23,186 as requested. This amount includes an attack fire engine with associated pumps, hoses and equipment at a cost of \$51,000. The county portion of the truck cost is \$20,400. Per State guidelines, the attack fire engines are recommended to be replaced once they reach 10 years/100,000 miles.

### CDC & Non-Profits

It is proposed that Community Development Center funding to all 14 centers remain at current FY 20-21 levels. It is proposed that most non-profits be funded at their requested amounts. New non-profit requests should be directly discussed with the Board.

### Contingencies

A contingency of \$321,253 is budgeted for FY 21-22 and is available for general purposes. An additional \$1,000,000 is budgeted for the following:

1. Conduct a salary survey.
2. Reserve budgetary capacity to implement recommendations from the salary study.
3. To continue the County's internship/work programs.

## ***COVID-19 PANDEMIC AND RECOVERY***

Jackson County employees have done a great job in adjusting to local and state orders to help protect the health and safety of our community. As the State and our community attempt to transition back to open operations, Jackson County government will also need to transition back to a “new normal” of operations. This transition will be done in consonance with the orders and recommendations of the State of North Carolina (DHHS) and other health agencies.

Jackson County will have an allocation of \$8,521,505 from the Coronavirus State and Local Recovery Funds (ARP – American Rescue Plan Act of 2021). Both the Board of Education and Southwestern Community College will be receiving additional funds related to the COVID-19 pandemic. We will begin making plans for the County use of the funds during FY 21-22. The deadline to obligate these funds will be December 31, 2024.

### **SPECIAL FUND HIGHLIGHTS**

*NOTE: These funds are separate operating entities from the general fund budget. The general fund budget includes transfers to some of these other funds in the amount of \$8,200,623 to support capital projects, recreation and conservation, debt service, the green energy park, economic development, revaluation and school capital reserve. There are additional personnel and capital recommendations in the following summaries.*

#### ***SOLID WASTE ENTERPRISE FUND***

The Solid Waste FY 21-22 proposed operating budget is \$4,055,469. This proposal constitutes an approximate decrease of 0.0012%, (\$4,937) under the current FY 20-21 amended budget. This enterprise fund is funded completely from fees collected for services. I am proposing a 15% increase in availability fees for the operation. Employees within this Fund will receive a one-step (2%) pay increase. There are no major operational changes proposed for FY 21-22.

#### ***EMERGENCY TELEPHONE (E911) FUND***

The E911 FY 21-22 proposed operating budget is \$314,070. This proposal constitutes an approximate decrease of 26.47% (\$113,109) under the current FY 20-21 amended budget. These operations are funded completely through E911 fees. The employees doing implementation services have been transferred to General Fund under Emergency Management. There are no major operational changes proposed for FY 21-22.

#### ***REAL PROPERTY REVALUATION FUND***

The proposed FY 21-22 revaluation operating budget is \$350,500. This proposal constitutes no increase over current year operations. Employees within this Fund will receive a one-step (2%) pay increase. New property values became effective January 1, 2021 in the final year of the revaluation project. A new four-year revaluation cycle will begin during FY 21-22. Software costs have been included in this budget in the amount of \$81,700. There are no major operational changes proposed for FY 21-22.

### ***GREEN ENERGY FUND***

The FY 21-22 proposed budget is \$240,000. This proposal constitutes the same level of funding over current FY 20-21 budget. Employees within this Fund will receive a one-step (2%) pay increase. There are no other major operational changes proposed for FY 21-22.

### ***ECONOMIC DEVELOPMENT FUND***

### ***FIRE TAX FUND***

This Fund includes both the Highlands Fire & Rescue Operations and the Cashiers-Glenville Volunteer Fire Department.

The Highlands Fire & Rescue proposed FY 21-22 budget is \$84,000. This proposal constitutes the same level of funding from current FY 20-21. The current fire tax rate of \$0.0305 per \$100 value will decrease to \$0.0272 per \$100 value to provide the revenues necessary to cover expenses.

The Cashiers-Glenville Volunteer Fire Department proposed FY 21-22 budget is \$1,789,844. This proposal constitutes an increase of \$582,744 in funding from current FY 20-21 amended budget. The fire tax rate of \$0.0233 will increase to \$0.0294 per \$100 value and will provide the revenues necessary to cover expenses.

### ***OTHER FUNDS***

### **FEE SCHEDULES**

Jackson County operates many services that rely on fees to offset the cost of operations. These fee schedules apply to both general fund and other fund operations. The fee and rate schedule includes the following: 1. Mileage reimbursement rate. 2. Hospital / Dental Insurance Rates. 3. Recreation Center Fees and Charges, Pool Fees and Charges. 4. Senior Center Participant Fee Schedule. 5. Permitting and Code Enforcement Fees. 6. Planning Fees. 6. Health Department Fees. 7. Transit Fees and 8. Solid Waste Fund Fees. It is recommended that adjustments be made to the following fee schedules:

1. Hospital / Dental Rates – Jackson County’s contribution for employees will increase by 3%.
2. Solid Waste Availability Fees will increase by 15%.
3. Other minor changes in departmental fee and rate schedules are included in this proposal.

### CLOSING

The public hearing is scheduled for June 1, 2021 at 5:55 pm in regards to the proposed budget. The public will be able to examine the proposed budget on the County’s website and hard copies will be available for inspections at the Administration and Finance Departments. The budget is tentatively scheduled to be approved at the regularly scheduled June 15, 2021 Commissioner’s meeting after the Board has had an opportunity to make any final adjustments.

In closing, I would like to extend my appreciation to all County employees who work extremely hard to provide the necessary services that make Jackson County a great place to live. I also extend my thanks to the department heads, elected officials and other representatives for their cooperation in fashioning their budget requests to the required specifications and timelines. And last – but by no means least – I would like to thank Finance Director Darlene Fox and her staff for their tireless effort and attention to detail over the budget development process.

Respectfully submitted,

Don Adams

Jackson County Government consists of twenty-three separate departments. Our citizen's demand and our organization delivers a very high level of service. The departments work very hard to raise the quality of life of this community even as growth adds to these challenges.

Jackson County's population grew by 24.8% from 2000 to 2015. The County's rate of growth between 2000 and 2010 was the fastest of 16 western North Carolina counties. Between 2010 and 2020, the population density increased from 82.1 to 90.2 persons per square mile.

Township data indicates that the unincorporated areas of the County continue to exhibit the fastest rate of growth. The population of the Cullowhee Township increased by 47% between 2000 and 2010, and almost doubled since 1970. It is the most populous township in the County, with 23.4% of the County's population. As the home of Western Carolina University, Cullowhee Township has the potential for continued uncontrolled growth and development without proper planning, assistance and guidance. The Barkers Creek Township's population grew by 152% between 1970 and 2010 and the population of the Qualla Township increased by 98.6% during this period. These townships are located within the US 441 corridor, which has experienced and will continue to experience growth due to location and availability of infrastructure. Development guidelines are in place to direct growth and development in this area. The total County population increased by 86.5% during the period 1970 – 2010.

In accordance with North Carolina General Statutes, all funds of the County are maintained during the year using the modified accrual basis of accounting. Under the modified accrual basis, revenues are recognized in the accounting period when they become susceptible to accrual (i.e., when they are “measurable” and “available”) to pay the liabilities of the current period. In addition, expenditures are recorded when the related fund liability is incurred, if measurable, except for unmatured principal and interest on general long-term debt, which is recognized when due, and certain compensated absences and claims and judgments, which are recognized when the obligations are expected to be liquidated with expendable available financial resources.

The County’s budget is adopted as required by the North Carolina General Statutes. An annual budget ordinance is adopted for the General, Special Revenue and Enterprise Funds. All annual appropriations lapse at fiscal year end. Project ordinances are adopted for the Capital Projects Funds and for certain Special Revenue Fund types. All budgets are prepared using the modified accrual basis of accounting.

The County has the following fund categories:

**Departmental Goals for FY 2021-2022:**

- 1. Further develop Open Data site  
Our goal is to create a robust GIS portal for the public that includes as much helpful information about the county as possible. Objectives for this include adding more GIS data for the public to download, such as information on school districts, commissioner districts, and additional environmental data. We would

**Jackson County Government Departmental Descriptions and Goals  
FY 2021-2022**

also like to create more web apps for public viewing, including apps that allow people to locate which school district or voting precinct they are in, a historical aerial imagery viewer, and other informational web maps.

2. Develop processes to automate updates between GIS and 911 Computer Aided Dispatch system.

After the NextGen911 migration is completed, in order to maximize efficiency in maintaining the address and road databases, we will need to create processes that will automatically update the 911 CAD system using our GIS data. This will not only save time for both our department and the addressing technicians in the Emergency Management department, but it will also help ensure data integrity.

3. Migrate users to using ArcPro instead of Arcmap.

ESRI is steadily improving ArcPro and phasing out ArcMap. Therefore, it will be necessary over time to migrate our processes, such as tax mapping and addressing, to ArcPro. Additionally, the tax mapping capabilities in ArcPro are now on an equal standing with ArcMap; therefore, after developing similar toolbars to what the mapping technicians currently use, we will transition them to using the new ArcPro software. Additionally, users in Emergency Management and Planning will also need to transition to ArcPro.

4. Expand services to other departments.

Currently, the main departments we provide services to as far as web apps, data, and mapping are Emergency Management, Tax, Planning, Environmental Health, and Code Enforcement. However, we would like to branch out to other departments, such as Board of Elections, Parks and Recreation, and Cooperative Extension. We already created a web application for Cooperative Extension last year, but there were numerous requests for expanding on this. We would also like to create applications for Board of Elections, such as a voting wait time app and an app for helping residents find which commissioner district they're in. Ideas for Parks and Recreation include a trail planning application and an improved recreational sites/trails web map.

## **Elections**

The Board of Elections Office is governed by a state appointed five-member board with an appointed Director who is responsible for all office and election functions.

This office conducts all federal, state, county, and municipal elections in Jackson County. The County Board of Elections' daily duties involve maintenance of voter lists, campaign reporting and election records.

**Jackson County Government Departmental Descriptions and Goals

**Departmental Goals for FY 2021-2022:**

2. Improved the office's website presence and accessibility.
3. Invest more time and resources to recruit and train capable precinct workers. The office has been very successful with recruiting new workers and retaining current workers, but it must be an ongoing process. This investment is insurance for fair and accurate elections.
4. Develop and implement an enhanced absentee ballot process of ballot preparation, receiving ballot back in office, processing, and storing. This improved process will meet the anticipated increased number of voters requesting absentee by mail ballots, since the realization of the ease of voting by mail in 2020.
5. The organization of office and storage areas for maximum utilization of space, while in compliance with Department of Homeland Security requirements for critical infrastructure offices.
6. The office hiring two new employees. The Board of Directors feel this is an excellent opportunity to reevaluate and restructure job duties since the election office has changed dramatically in recent elections. There is a new need for expertise in areas not needed in prior years. These areas include security, IT, public relations, data management, training, recruiting, project management, mapping, and increasingly complex legal issues.
7. Train and maintain a staff that is responsive to the legal and technological aspects of conducting elections. The current staff will continue working toward completing the National Election Administration Certification from the Election Center and Auburn University. The new employees will begin working toward NC Election Certification.

Through this solution, we will be provided with a 7-day air-gapped repository, providing enhanced protection against ransomware and malicious actions. Also included would be a 10 terabyte storage capacity. Through much research, we found **Iland Internet Solutions Corporation** has the best option for Jackson County.
5. Replace our existing File Server that is seven years old and has reached its capacity for growth. This new server will provide us with enough storage capacity

**Jackson County Government Departmental Descriptions and Goals  
FY 2021-2022**

for the next five to seven years, dependent on future growth. This file server will provide storage for the entire Justice Center excluding the Sheriff's Office

## **Permitting and Code Enforcement**

The Permitting and Code Enforcement Department is completing its eighth year providing a centralized location for permitting and inspection services to the construction and development community. During the past seven years, the department completed the tasks of combining staffs and offices for building inspections, erosion control, flood plain management, plat review, and fire inspections into centralized offices in Sylva and Cashiers. We have also established procedures and infrastructure to provide a "one-stop" location for the public to apply for all development permits. The county now provides two Permit Centers in Sylva and Cashiers. The Cashiers office has functioned as a "one stop" for the past twelve years. The Sylva office opened up as the newly consolidated Permit Center in the Community Services Building along with Environmental Health and Planning in January 2021. We have completed development of a county Plan Review Team that meets monthly with all county departments involved in new commercial projects plus representation from the Tuckasegee Water and Sewer Authority. A project was undertaken to develop a new centralized permitting system for the county as part of the consolidation. This system is complete for issuing permits and performing mobile inspections. ## **Transportation**

### **Transportation**

Due to the COVID-19 Pandemic our trips have decreased by 52% from July 2020-December 2020, and the same time frame of July 2019-December 2019. This decrease is due to a reduction of services for the Senior Center, Adult Care and Cashiers Senior Center, as well as individual seniors not traveling during this time. We have not been providing out of county services during this time. We suspended the Trolley service until the end of September and we still have not resumed the Saturday Trolley service due to low weekday trip totals. We have contributed by delivering meals for the Department on Aging, and we have continuously provided transportation services to Dialysis clients.

In efforts to ensure the safety of our drivers and passengers we have installed Plexiglas shield guards, limited the number of passengers on board at any one time, and required mask wearing. Drivers clean and sanitize at the end of each shift. We screen passengers when they call in to schedule rides. We are currently providing transportation to vaccination sites free of charge to individuals who need transportation through funding from DHHS CARES vaccine. We have utilized CARES funding to cover driver salaries and fuel costs from the period of April 1, 2020 through December 31, 2020.

The following goals are ongoing and as the COVID-19 restrictions and risks decrease, we plan to resume with normal transportation services and are currently looking at ways to increase trip numbers.

**6. Trolley Route**

Continuing this service Monday – Friday from 7:00 am until 5:00 pm and operating on Saturdays from 10:00 am until 2:00 pm is beneficial for people living along this route to travel without having to schedule a ride 24 hours in advance. The North River Road portion of the route was eliminated in order to decrease wait time for people traveling along the route. The Trolley now travels back to Dillsboro by returning back toward town along 107 and through backstreet Sylva. This has enabled riders to catch the Trolley as it returns to Dillsboro.

## JACKSON COUNTY GREEN ENERGY PARK

Jackson County Green Energy Park captures methane gas from the old Dillsboro landfill, and then uses that gas for a variety of energy-intensive crafts and agriculture efforts. Since its inception, the JCGEP has worked to provide a model of success for other communities seeking to manage landfill gas or tackle other energy issues in an economically-viable and environmentally-conscious fashion. To date the JCGEP has realized many important milestones: rehabilitation of an old trash transfer station into modern studio spaces and an art gallery; installation of an extensive glassblowing facility; construction and operation of 7,500 square feet of heated greenhouse space; completion of the world's only blacksmith studio fired with landfill gas; successful testing of a bronze and aluminum foundry; and construction of a wood-fired anagama ceramics kiln.
