County Manager's Fiscal Year 2022-2023 Budget Message

May 17, 2022

Jackson County Commissioners,

The proposed Fiscal Year (FY) 2022-2023 General Fund Annual Budget for Jackson County is in the amount of \$82,292,740. This proposal constitutes an approximate increase of 8.39% (\$6,372,313) over the current FY 22 amended budget. The budget is balanced and prepared in accordance with the Local Government Budget and Fiscal Control Act, presenting appropriations by categories of expense and revenues by source. All proposals within the general fund are based upon a budget with a tax rate of \$0.38 per \$100 of value.

EXPENDITURES HIGHLIGHTS

The following pie charts illustrate Jackson County's proposed "Total Expenditures By function" for the General Fund.

Total Expenditures By Function- \$82,292,740

CATEGORICAL OVERVIEW

PERSONNEL / INSURANCE

The proposed FY 22-23 budget contains personnel recommendations. The recommendations include:

1. One-step (3.15%, 3.00% or 1.5% based on career path) increase for all employees.
2. Worker's Compensation and Liability Insurance.

It is recommended that all employees move up one step in the current grade and step plan. This action is necessary to maintain the career path system. Approximately \$385,004 is budgeted to implement a one-step increase for all employees. No Cost of Living Adjustment (COLA) is included in the proposal.

We had several requests for salary reclassifications and new positions. The classification and compensation study that was approved by the Board on March 15, 2022 and implemented effective January 1, 2022 should allow for the retention of existing personnel. The salary plan will also allow for recruitment of both inexperienced and experienced personnel. I have not recommended any new positions or salary reclassifications in this proposal.

The following other personnel recommendations are included in this proposal:

1. **Social Services** – Extend the IMC II-Support Specialist position one additional year. The position is already budgeted and is cost shared with the State.
2. **GIS** – It is recommended that the GIS analyst position be moved into the IT Department.

Hospitalization / dental insurance premiums will remain at current rates. The employee rates will also remain the same. Worker's compensation insurance will increase by 3%. Liability insurance will increase by 2%.

CAPITAL & CAPITAL IMPROVEMENTS

There are capital and capital improvement needs in the amount of \$2,434,737 that should be addressed in FY 22-23. The recommendations are as follows:

Equipment: \$1,042,319

Highlights under this category include computers, servers, printers, software, garage equipment, cleaning equipment, grounds maintenance equipment, recreation equipment, law enforcement radios, cameras, body scanner, and emergency communication equipment. It is being recommended that the majority of these expenses be delayed until after the audit is complete.

Vehicles: \$336,000

Highlights under this category include \$336,000 to replace eight vehicles at the Sheriff's Office.

Improvements: \$1,056,418

Highlights under this category include Cashiers Code Enforcement decking, building repairs for the Cashiers Dept on Aging, Cashiers Library repair of rear walkway awnings, and replacement of one HVAC unit for the Cashiers Recreation Center. Repairs to the jail area such as booking, kitchen and second control room cabinet replacements, main control room renovations, interior and exterior painting and search room renovations. Other improvements include Department on Aging parking lot sealing, other various parking lot sealing, roofing for the warehouse at Emergency Management and Mark Watson Park storage units, HVAC replacement at the Jackson County Library and Mark Watson Park paving. Also included is a feasibility study for Hwy 107 Multi-use path in Cullowhee.

NOTE: It is proposed that these projects be funded from three different sources - \$885,418 from General Fund, \$119,500 from CPR Fund and \$51,500 from the Greenway Project Fund.

***CURRENT FY 2018-2022 FACILITY CAPITAL IMPROVEMENT PLAN &
NEW FY 2023-2027 FACILITY CAPITAL IMPROVEMENT PLAN***

The adopted FY 2018-2022 Facility Capital Improvement Plan sets aside funds for three major facility projects: 1. Health Department / One Stop Permitting Center 2. Animal Rescue Center 3. Justice Center Renovations. The Health Department / One Stop Permitting Center has been completed. The Animal Rescue Center is scheduled for completion in the Summer of 2022. Schematic design work for the Justice Center Renovations will begin during FY 22-23 after the newly elected Sheriff, Clerk of Court and Register of Deeds are in place. The FY 2023-2027 Facility Capital Improvement Plan will be completed in early FY23. Four projects are proposed to move forward while working on the new plan. They are as follows:

1. A debt service payment of \$1,952,700 is included in the proposed FY 22-23 budget for the Aquatics Center facility.
2. The domestic violence shelter design will begin in the Summer of 2022.
3. A Parks and Recreation Trust Fund application is pending for the construction of the Qualla pocket park. Approval of the grant request will expedite this project forward.
4. This proposed budget allocates \$75,000 for the planning and design for the new splash pad facility in Cashiers.

JACKSON COUNTY BOARD OF EDUCATION

Current Expense

It is proposed to allocate \$8,600,097 (a 2% - \$168,629 increase) to the public schools for FY 22-23. This includes \$7,168,303 for current operations, \$141,928 for PILT, \$847,067 in teacher supplements and \$442,799 for counselors.

Public schools have received a significant amount of ARPA funds. Assuming that State allocations are not decreased, the public schools' request from the County (along with ARPA & State funds) may lead to a fund balance increase. Actual impacts onto the public schools' budget will not be known until a State budget is passed. It is recommended that an additional 5.4% (\$445,300) be reserved in a special contingency line item until the State budget is approved. The public schools can come back to the Board of Commissioners after the State budget has passed to provide detailed information regarding all expenses and revenues. Combined, the total increase could be 7.4% (\$623,929). 7.4% matches the year end 2021 annualized Consumer Price Index (CPI) overall increase.

Capital

40% of the Article 40 (½ cent) sales tax and 60% of the Article 42 (½ cent) sales tax go to public schools for capital. In FY 22-23 the following items are proposed to be funded:

Capital Outlay:	\$235,000
Capital Outlay-Technology:	\$400,000
Capital Outlay – One to One:	\$320,700
Capital Outlay – Maintenance:	\$375,000 – Preventive maintenance
Capital Outlay – Security	\$ 25,000
Total	\$1,355,700

It is recommended to budget an additional \$1,862,653 for public school capital expenditures in FY 22-23 out of Articles 40 and 42 sales taxes. It is also recommended to budget an additional \$1,495,734 out of the Article 46 sales tax fund in FY 22-23 to be used for educational purposes. These sales tax funds, future grants and available lottery proceeds will dictate the outcome of the Public Schools' FY 2023-2027 Facility Capital Improvement Plan.

SOUTHWESTERN COMMUNITY COLLEGE (SCC)

It is proposed to allocate the requested \$2,534,382 (a 5.54% - \$133,086 increase) to SCC in current operations for FY 22-23.

The proposed general maintenance capital outlay appropriation is \$135,458 for 3 fleet vehicles and 1 maintenance truck. Facility renovations in the amount of \$137,855 includes floor replacement and electrical rework at Founders, keyless install at Balsam/HSC, maintenance equipment and various renovations to the facilities. \$75,000 is included to pave the entrance/drive/parking lot at the Firing Range and \$50,000 for incidental repairs.

JACKSON COUNTY LIBRARIES: FONTANA REGIONAL LIBRARY SYSTEM

It is proposed to allocate \$1,290,482 (a 7.4% - \$88,916 increase) to the Fontana Regional Library System to operate both the Jackson County Library and the Albert Carlton Library.

OTHER APPROPRIATIONS

There are many agencies that have requested funds from Jackson County. I have divided these discussions into three categories: 1. Safety – Fire, Forestry, Rescue, EMS. 2. Community Development Centers (CDC) & Non-Profits. 3. Contingencies

Safety – Fire, Forestry, Rescue, EMS

It is proposed that Canada, Savannah, Balsam and Qualla Volunteer Fire Departments and the Glenville – Cashiers & Jackson County Rescue Squads receive a 7.4% increase in allocation. Matching funds will be available for equipment purchased under grant funding.

Sylva Fire Department is being funded at \$1,074,290. This will enable the department to have paid members on staff 24/7. The increased number of calls and property coverage has necessitated this change. Mutual aid is provided to other departments within the County. The proposed funding amount provides enough funding for 8 full-time fire personnel. Since this is a Town department, the Town of Sylva can choose to add additional personnel by adding Town funds to the operations.

Cullowhee Fire Department is being funded at \$1,076,789 as requested. This will enable the department to continue having paid members on staff 24/7. Mutual aid is provided to other departments within the County.

It is proposed that the Forestry Service receive funding of \$109,115 as requested. This represents a \$521 increase. The amount includes an attack fire truck with associated pumps, hoses and equipment at a cost of \$51,000. The county portion of the truck cost is \$20,400. Per State guidelines, the attack fire engines are recommended to be replaced once they reach 10 years/100,000 miles. The truck had been scheduled in the prior year, but could not be purchased.

An increase of \$237,690 for wage increases has been included for the Harris Ambulance contract and an increase of \$289,676 has been included for the Glenville-Cashiers Rescue Ambulance contract. The contracts will need to be amended to reflect the new base amounts.

A debt payment of \$343,597 is being recommended for a new Glenville-Cashiers Rescue Squad Facility at a cost of \$4,500,000.

CDC & Non-Profits

It is proposed that Community Development Center funding to all 14 centers remain at current FY 21-22 levels.

It is proposed that most non-profits be funded at the current FY 21-22 levels. Due to rising hotel room costs, it is recommended that HERE receive a 7.4% (\$11,384) increase. Rolling Start NC, a new non-profit, is proposed to receive \$5,000 with a stipulation that these funds only go to clientele that are specifically referred by our other non-profit partners.

Contingencies

There are multiple contingencies recommended in the proposed budget. They are as follows:

1. \$349,210 in contingency for general purposes.
2. \$455,300 in contingency for public schools until State budget is passed and actual overall budget numbers can be presented / discussed with the Board of Commissioners.
3. \$731,861 for equipment purchases. This is part of the overall equipment budget discussed earlier that can be delayed until the audit is received.
4. \$25,000 for internship / work programs.

AMERICAN RESCUE PLAN ACT (ARPA)

Jackson County will receive a total of \$8,534,441 from the Coronavirus State and Local Recovery Funds (ARPA – American Rescue Plan Act of 2021). Both the Board of Education and Southwestern Community College have received funds related to the pandemic. Jackson County has committed to several projects with these funds. There are \$4,549,492 funds remaining. It is recommended that the Board continue planning the best and highest use of these funds. It is recommended that three potential areas be prioritized to use some of these funds. They are as follows:

1. Broadband. There will be an upcoming new round of State broadband grant programs that may require a County match. Jackson County should plan on participating in these programs.
2. Human services non-profit partnerships. Jackson County should develop a process that assists non-profits with one-time capital purchases or improvements that directly assists them with their operations.
3. Contemplate using some of these funds when developing the FY 2023-2027 Facilities Capital Improvement Plan. These funds could be specifically targeted at parks since it was determined to be a potential allowable use.

SPECIAL FUND HIGHLIGHTS

NOTE: These funds are separate operating entities from the general fund budget. The general fund budget includes transfers to some of these other funds in the amount of \$11,027,546 to support capital projects, recreation and conservation, debt service, the green energy park, economic development, revaluation and school capital reserve. There are additional personnel and capital recommendations in the following summaries.

SOLID WASTE ENTERPRISE FUND

The Solid Waste FY 22-23 proposed operating budget is \$4,489,612. This proposal constitutes an approximate increase of 9.65%, (\$395,182) over the current FY 22-23 amended budget. This enterprise fund is funded completely from fees collected for services.

Employees within this Fund will receive a one-step pay increase. There are no major operational changes proposed for FY 22-23.

I am currently not proposing an increase in availability fees for the operation. Escalating energy costs are dramatically impacting our budget. Our current contracts have fuel escalator clauses. All of our contracts will be up for renewal next year. Additional conversations with our current contractors could require consideration of increased rates.

EMERGENCY TELEPHONE (E911) FUND

The E911 FY 22-23 proposed operating budget is \$314,070. This proposal is the same level as the current FY 21-22 amended budget. These operations are funded completely through E911 fees. There are no major operational changes proposed for FY 22-23.

REAL PROPERTY REVALUATION FUND

The proposed FY 22-23 revaluation operating budget is \$498,324. This proposal constitutes a 4.01% increase over current year operations. Employees within this Fund will receive a one-step pay increase. This is the second year of the four-year revaluation cycle that began during FY 21-22. Software costs and new updated aerials photos have been included in this budget in the amount of \$96,387. There are no major operational changes proposed for FY 22-23.

GREEN ENERGY FUND

The FY 22-23 proposed budget is \$243,430. This proposal constitutes the same level of funding over current FY 21-22 budget. Employees within this Fund will receive a one-step pay increase. There are no other major operational changes proposed for FY 22-23.

ECONOMIC DEVELOPMENT FUND

The FY 22-23 proposed budget is \$175,966. This proposal constitutes an approximate increase of 21.37% (\$30,981) over the current FY 21-22 amended budget. The employee within this Fund will receive a one-step pay increase. Funding is included for a third party company to assist with a market feasibility study for business development. There are no other major operational changes proposed for FY 22-23.

FIRE TAX FUND

This Fund includes both the Highlands Fire & Rescue Operations and the Cashiers-Glenville Volunteer Fire Department.

The Highlands Fire & Rescue proposed FY 22-23 budget is \$84,000. This proposal constitutes the same level of funding from current FY 21-22. The current fire tax rate of \$0.0272 per \$100 value will provide the revenues necessary to cover expenses.

The Cashiers-Glenville Volunteer Fire Department proposed FY 22-23 budget is \$1,844,634. This proposal constitutes an increase of \$54,790 in funding from the current FY 21-22 amended budget. The current fire tax rate of \$0.0294 per \$100 value will provide the revenues necessary to cover expenses.

OTHER FUNDS

This category includes other funds such as the Capital Reserve Fund, School Capital Reserve Fund (19 & 21), Economic Development Fund (23, 42 & 64), Community Development Fund, Law Enforcement Fund, Conservation Preservation Recreation Fund, Debt Service Fund, Clean Water Revolving Fund, Airport Authority Fund and all active funds.

FEE SCHEDULES

Jackson County operates many services that rely on fees to offset the cost of operations. These fee schedules apply to both general fund and other fund operations. The fee and rate schedule includes the following: 1. Mileage reimbursement rate. 2. Hospital / Dental Insurance Rates. 3. Recreation Center Fees and Charges, Pool Fees and Charges. 4. Senior Center Participant Fee Schedule. 5. Permitting and Code Enforcement Fees. 6. Planning Fees. 6. Health Department Fees. 7. Transit Fees and eight. Solid Waste Fund Fees. It is recommended that adjustments be made to the following fee schedules:

1. Hospital / Dental Rates – Jackson County’s contribution for employees will remain the same.
2. Solid Waste Availability Fee recommendations may remain the same.
3. Other minor changes in departmental fee and rate schedules are included in this proposal.

CLOSING

The public hearing is scheduled for June 7, 2022 at 5:55 pm in regards to the proposed budget. The public will be able to examine the proposed budget on the County’s website and hard copies will be available for inspections at the Administration and Finance Departments. The budget is tentatively scheduled to be approved at a Commissioners meeting in June 2022, after the Board has had an opportunity to make any final adjustments.

In closing, I would like to extend my appreciation to all County employees who work extremely hard to provide the necessary services that make Jackson County a great place to live. I also extend my thanks to the department heads, elected officials and other representatives for their cooperation in fashioning their budget requests to the required specifications and timelines. And last – but by no means least – I would like to thank Finance Director Darlene Fox and her staff for their tireless effort and attention to detail over the budget development process.

Respectfully submitted,

Don Adams

Jackson County Government consists of twenty-three separate departments. Our citizen's demand and our organization delivers a very high level of service. The departments work very hard to raise the quality of life of this community even as growth adds to these challenges.

Jackson County's population grew by 24.8% from 2000 to 2015. The County's rate of growth between 2000 and 2010 was the fastest of 16 western North Carolina counties. Between 2010 and 2021, the population density increased from 82.1 to 90.9 persons per square mile.

Township data indicates that the unincorporated areas of the County continue to exhibit the fastest rate of growth. The population of the Cullowhee Township increased by 47% between 2000 and 2010, and almost doubled since 1970. It is the most populous township in the County, with 22.4% of the County's population. As the home of Western Carolina University, Cullowhee Township has the potential for continued uncontrolled growth and development without proper planning, assistance and guidance. The Barkers Creek Township's population grew by 152% between 1970 and 2010 and the population of the Qualla Township increased by 98.6% during this period. These townships are located within the US 441 corridor, which has experienced and will continue to experience growth due to location and availability of infrastructure. Development guidelines are in place to direct growth and development in this area. The total County population increased by 105.5% during the period 1970 – 2020.

In accordance with North Carolina General Statutes, all funds of the County are maintained during the year using the modified accrual basis of accounting. Under the modified accrual basis, revenues are recognized in the accounting period when they become susceptible to accrual (i.e., when they are “measurable” and “available”) to pay the liabilities of the current period. In addition, expenditures are recorded when the related fund liability is incurred, if measurable, except for unmatured principal and interest on general long-term debt, which is recognized when due, and certain compensated absences and claims and judgments, which are recognized when the obligations are expected to be liquidated with expendable available financial resources.

The County's budget is adopted as required by the North Carolina General Statutes. An annual budget ordinance is adopted for the General, Special Revenue and Enterprise Funds. All annual appropriations lapse at fiscal year end. Project ordinances are adopted for the Capital Projects Funds and for certain Special Revenue Fund types. All budgets are prepared using the modified accrual basis of accounting.

The County has the following fund categories:

GOVERNMENTAL FUNDS - General, Special Revenue Funds, Capital Projects Funds

GIS Department

The GIS Department provides software, training, database development, application development and technical support to county departments. GIS also maintains the Real Property Viewer website, as well as a variety of other web maps and applications.

Departmental Goals for FY 2022-2023:

1. Continue to develop Open Data site.
Our goal is to create a robust GIS portal for the public that includes as much helpful information about the county as possible. Objectives for this include adding more GIS data for the public to download, such as information on school districts, and additional environmental data. We would also like to create more web apps for public viewing, including apps that allow people to locate which school district they are in, and other informational web maps.
2. Migrate users to using ArcPro instead of Arcmap.
ESRI is steadily improving ArcPro and phasing out ArcMap. Therefore, it will be necessary over time to migrate our processes, such as tax mapping and addressing, to ArcPro. Additionally, the tax mapping capabilities in ArcPro are now on an equal standing with ArcMap; therefore, after developing similar toolbars to what the mapping technicians currently use, we will transition them to using the new ArcPro software. Additionally, users in Emergency Management and Planning will also need to transition to ArcPro.
3. Expand services to other departments.
Currently, the main departments we provide services to as far as web apps, data, and mapping are Emergency Management, Tax, Planning, Environmental Health, and Code Enforcement. However, we would like to branch out to other departments, such as Board of Elections, Parks and Recreation, and Cooperative Extension. We already created a web application for Cooperative Extension, but there were numerous requests for expanding on this. We would also like to create applications for Board of Elections, such as a voting wait time app and an app for helping residents find which commissioner district they're in. Ideas for Parks and Recreation include a trail planning application.
4. Further develop GIS for Public Works.
In summer of 2020 we worked with Public Works to get a GIS inventory of underground assets. We will continue working with Public Works build on this inventory, and create an easy way for Public Works to keep up this inventory.
5. Foster communication between departments working with GIS.
Create a GIS group consisting of representatives from departments working closely with the GIS Department (i.e. 911 Addressing, Land Records, Environmental Health etc.). This group would meet either monthly or quarterly to discuss ongoing projects, efficiency of current GIS, potential future projects, and on occasion budget relating to GIS.

election staff and legal requirements. The County Board of Elections' daily duties involve maintenance of voter, campaign reporting and election records.

Departmental Goals for FY 2022-2023:

1. **Provide a safe environment for voting.** The COVID-19 virus has presented un-perceived challenges and voting will be high on everyone's radar this year. There is no reason to believe there will any delays in the General November Election dates and the local election offices on the frontline must be prepared. In addition to increasing by mail capacities, election offices need to establish in-person practices that voters will trust.
2. **Maintain high standards of elections in Jackson County,** such as voting machine maintenance, record management and audits, customer service, training, voter education, improved website presence and accessibility. This remains a goal through all changes and challenges.
3. **Invest more time and resources to recruit and train capable precinct workers.** The office has been very successful with recruiting new workers and retaining current workers, but it must be an ongoing process. This investment is insurance for fair and accurate elections. There will also be a need to recruit workers from less vulnerable populations for this year. Public health policies will need to be implemented to keep everyone safe while fulfilling their civil duties.
4. **Train and maintain a staff that is responsive to the needs of conducting elections.** In addition to the prior legal and technological aspects, the elections will need to develop plans to implement the new norm of the current environment. Election offices will need to respond in real-time to the ever changing world for all aspects of elections.
5. **Improve security at elections offices and facilities to comply with Homeland Security standards.** Elections offices have been named as a critical understructure by Homeland Security. Elections are now designated as essential functions, which adds to the ever-growing complexity of Elections.

JACKSON COUNTY GREEN ENERGY PARK

Jackson County Green Energy Park captures methane gas from the old Dillsboro landfill, and then uses that gas for a variety of energy-intensive crafts and agriculture efforts. Since its inception, the JCGEP has worked to provide a model of success for other communities seeking to manage landfill gas or tackle other energy issues in an economically-viable and environmentally-conscious fashion. To date the JCGEP has realized many important milestones: rehabilitation of an old trash transfer station into modern studio spaces and an art gallery; installation of an extensive glassblowing facility; construction and operation of 7,500 square feet of heated greenhouse space; completion of the world's only blacksmith studio fired with landfill gas; successful testing of a bronze and aluminum foundry; and construction of a wood-fired anagama ceramics kiln.
