Meet every two months on the second Friday at 8:30 a.m. The annual meeting is in December and is a lunch meeting. The first meeting of 2023 will be in February.

Mountain Projects has a Board of Directors with 18 members representing three distinct groups. First, as was envisioned from the outset, *representatives of low income target area communities* provide an avenue for those most affected by the conditions of poverty to have input into planning programs to address the community's needs. Secondly, representatives from other *organizations that provide services* to the community comprise the second third of the membership and provide their critical input into developing new, complementary programs to address community needs. Thirdly, *elected officials* representing Haywood and Jackson Counties including towns and municipalities, constitute the remainder of the Board membership. Their support of the work of Mountain Projects is key to its success.
