Mr. Don Adams, Jackson County Manager
401 Grindstaff Cove Road
Sylva, NC 28779

Dear Don,

I received the attached resignation from Mountain Projects Board of Directors from Commissioner Deitz.

Our organization set aside a seat for a Jackson County Commissioners more than fifty-seven years ago when the agency was founded on Main Street in Sylva. We would appreciate a replacement be appointed to represent the county.

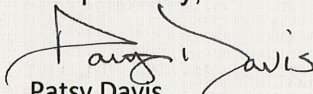

Our Board meets on the second Friday of every other month at 8:30 with meeting held in February, April, June, August, and October. In December we have our annual meeting which will be lunch (if COVID allows). We are in the process of updating a strategic plan which may require a longer or special meeting.

Mountain Projects employees over 150 employees who provide services to our residents through forty-five grants. Our annual budget is in excess of seventeen million dollars. We are complex. I like to let potential Board members know that in advance.

I have copied Mountain Projects Board, since Mr. Deitz held the Vice Chairman position.

Please let me know if I can answer any questions. I look forward to hearing who will represent Jackson County on our Board.

Respectively,

Patsy Davis
Executive Director
