

## SERVICES FROM PROVIDER:

Peer Guides will be connected to those who wish to participate in the program.

Provider connects individuals to outside treatment facilities to resume or start treatment to include the 'shots' which will follow them.

Ideally, there is cooperation with an outpatient medicated assisted treatment facility as well as recovery services for treatment of those with mental illness and or substance use disorders.

Provider provides connection with regular medical care (i.e. primary care physician).

Provider will need to partner with a transitional housing team...up to and including the homeless participants.

Reentry organizations (such as Goodwill Reentry) or other organizations will be helpful. Provider links these.

Links with employment possibilities-such as NC Works or other non-profit organizations-role of the provider.
