Applications for the Municipal Grant Program will be accepted until 5:00 p.m. on January 5th, 2023. In order to be considered, a representative of the municipality must present the request to the Board of Commissioners during the January 10th, 2023 work session. Grant awards will be announced at a later meeting.

Grant Amount Available

\$20,000 has been earmarked for the Municipal Grant Program. Individual grant requests are limited to a maximum of \$5,000 per municipality.

Municipality: Town of Sylva
Date of Application: November 15, 2022
Project Name: Sylva Art Walk
Project Description: <i>The Town of Sylva is applying for a \$5,000 Jackson County Municipal Grant to start a Sylva Art Walk that includes murals, marketing rack cards for the walk, and kiosks to hold brochures and other promotional materials.</i> Downtown Sylva is becoming quite the art-centered hub of Jackson County. Many of the public art murals and miniature art, and private galleries and collaborative centers have popped up over the past few years, while some have been intentional. Our goal is to tie them all together to one unified economic driver for downtown. Public Artwork in Sylva has been a focus of several nationally recognized publications and has helped to improve the quality of life in Sylva. This project will give needed financial support to artists as well as benefit the community in

the form of civic pride through aesthetics and beautification for everyone living in and visiting Jackson County.

Murals on Mill - Public art and workshops have helped drive foot traffic on Mill Street, and increase occupancy rates in those commercial spaces. Furthering the artwork that has been completed on Mill Street in downtown Sylva, The “Murals on Mill” project will complement the corridor with new murals and give several local and/or regional artists the chance to showcase their work. This portion of the project will entail 3 rotating murals on Mill Street over the course of the year. The

Sylva Art Walk Rack Cards – An initial print run of 5,000 art walk guides will include a map and QR code to the Sylva Art Walk web page that will be built in-house. This site will include photos of all of the art, and galleries in downtown Sylva along with the addresses and a map. This approach will allow us the flexibility to add new projects as they come up. The design of the guide will be done in-house. The total cost would be \$717.97 for printing.

Sylva Walks Kiosks – In 2020, The Jackson County TDA and Jackson County Chamber of Commerce funded downtown kiosks to hold information about tourism, events, downtown businesses, etc. As a result, the Chamber saw a significant uptick in distribution of these materials since visitors who were not able to go by the Visitor Center. The Town of Sylva would like to purchase similar kiosks to be located beside these larger ones downtown to hold the Sylva Art Walk Guides, Sylva Community Map, Heritage Walk Brochures, and Sylva Plant Walk rack card (a similar revamp of the Sylva Tree Walk). These kiosks would free up 2 slots that the Chamber and TDA are currently using for the Sylva Map and Heritage Walk Brochure, allowing them to include other Jackson County information. The cost for 4 new Sylva kiosks are \$2431.62.
