RE: TRANSFER OF SERVICE PISTOL TO RETIREE OF THE SHERIFF'S OFFICE

Sergeant Kenneth Woodring has retired from service with the Jackson County Sheriff's Office effective 03/01/2023. He meets the eligibility requirement to be transferred ownership of his service pistol at the time of his retirement.

Accordingly, I am requesting approval from the Jackson County Board of Commissioners to transfer the below listed service pistol as follows:

- Sergeant Kenneth Woodring – Glock Model 22 .40 caliber serial #AHEE431

North Carolina General Statute 20-187.2 authorizes the board to complete this transaction at a cost determined by the board which has traditionally been set in the amount of \$1.00 cash paid at the time of approval by the board.

Your assistance with presenting this request to the commissioners is appreciated.
