

YEAR ROUND RESTROOMS AT THE VILLAGE GREEN

SERVING FAMILIES, RESIDENTS, AND VISITORS – 365 DAYS A YEAR

THE VILLAGE
GREEN

About The Village Green

Who We Are: A nonprofit community park system at the heart of Cashiers.

Our History: Serving the community for 30+ years as a gathering place for residents and visitors.

What We Do:

- Maintain 13+ acres of green space, gardens, trails, and event spaces.
- Venue for over 275 days of community events annually – concerts, festivals, educational programs, and family gatherings.
- Provide free, public park access year-round for all ages.

Our Role: The only community green space and affordable event campus in the area, making us a vital hub for recreation, culture, and connection.

Why Year-Round Restrooms Matter

- TVG has the **only public restrooms** available in our community.
- **Hundreds of families**, residents, and visitors utilize the restrooms monthly.
- TVG has over **35,000 visitors** in our park annually.
- Restrooms are **used 275+ days** a year for community events.
- **Access for all** – Restrooms support families with young children and older adults, helping everyone enjoy the park longer.
- Year-round public facilities **encourage** late fall/winter events and **tourism**.
- Public Restrooms = **safety, comfort, and hospitality** for families and visitors.

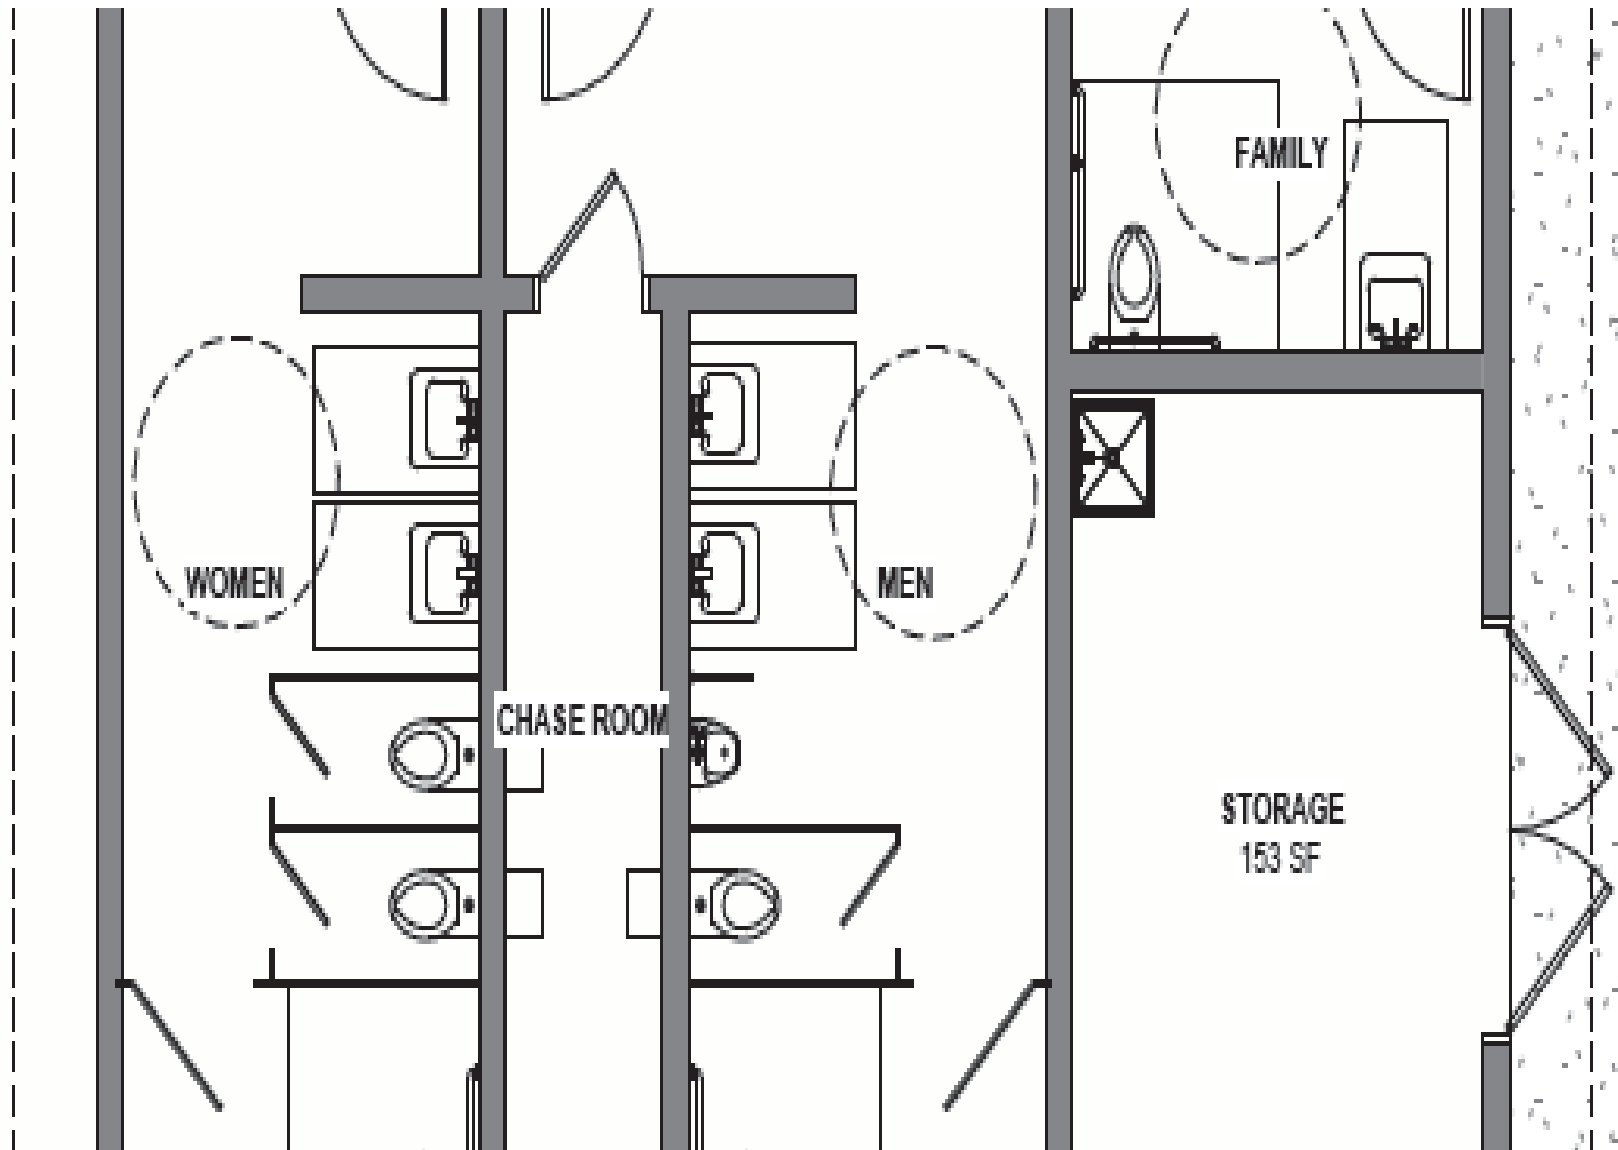

Current Restrooms & Challenges

- Not insulated – which means there are no restrooms open November – May
- 20+ years old
- Deteriorating and damaged interiors
- Hard to clean (wood interior paneling)
- Only two toilets and two sinks for over 35,000 annual visitors

The Solution: New Year-Round Restrooms

Fully Insulated

**Men's & Women's restroom with
two private stalls each**

Private Family Restroom

Water Fountain/Drinking Station

The Benefits

New Year-Round Restrooms

- **Reliable facilities for parents with small children year-round**
- **Accessible for seniors and those with mobility challenges**
- **Safer, cleaner, and more hygienic environment for all**

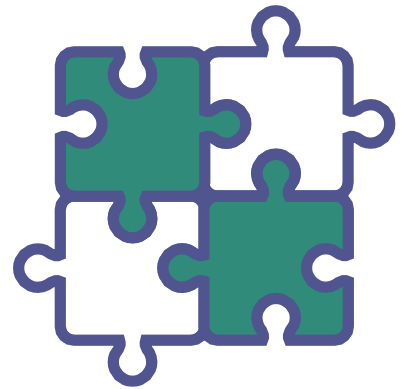

- **Supports local businesses by encouraging visitors to stay longer**
- **Expands opportunities for tourism and events in fall and winter**
- **Aligns with community values of hospitality, health, and quality of life**
