WHEREAS, the Board makes the following findings:

1. All Fire Protection and Ambulance and Rescue Service Districts within Jackson County are contiguous to each other.
2. All Fire Protection and Ambulance and Rescue Service Districts within Jackson County provide substantially the same service.

NOW, THEREFORE, BE IT RESOLVED, by the Jackson County Board of Commissioner as follows:

1. The consolidated County-wide District is hereby defined and established, as more fully described in the attached Notice of Public Hearing and Report on consolidating fire protection and ambulance and rescue service districts in Jackson County.
2. The Jackson County Tax Assessor/Collector shall levy a service district tax, in an amount to be determined annually by the Jackson County Board of Commissioners, within the consolidated County-wide Service District. The proceeds of this tax shall be used to finance, provide, and maintain fire protection and ambulance and rescue services within the district, in addition to other countywide taxes.
3. The service district tax shall include funding for ambulance and rescue services, as well the base operational expenses of fire departments within the County-wide Service District, determined according to personnel and facility needs.
4. The base funding level for Cashiers Fire Department shall be determined using the average expenditures of the Cullowhee, Sylva, and Qualla Fire Departments.
5. Additional expenses exceeding the established base level for the Cashiers Fire Department shall be funded through the separate Cashiers Service District tax.
6. The Board of Commissioners shall review allocations annually and may adjust the service district tax rate as necessary to ensure equitable and adequate funding for all departments within the County-wide Service District.
