If you have a prescription for a controlled drug, federal law prohibits transferring your prescription. If you have a prescription for a compound drug, Express Scripts Pharmacy requires a new prescription due to the complex ingredients required to complete the compound. In either case, Express Scripts Pharmacy will work with you and your provider(s) to obtain a new prescription. Treatment decisions are always between you and your doctor. Coverage is always subject to the exclusions and limitations noted in your benefit booklet. See your benefit booklet for details.
