

December 2020 Sugar Scavenger Hunt

Did you know sugar has over 100 different names? See how many different names for sugar you can find this month. Your challenge is to look on labels of food and find the names below. The sugar name does not have to match the day you find it on the calendar. Cross off each one you find below, and write the item it was found on.
Give yourself 1 point for each sugar name you identify.
