Re: Summary of Fraser Fir Tree Donation

Dear Mr. Adams:

Wolf Creek Tree Farm and Nursery has generously donated 80 Fraser Fir trees to Jackson County Public Works this year and last year. These 80 trees are used at the Jackson County Library (Old Courthouse hill) winter display for decoration. We are thankful for the donations supplied and are grateful for the interest in the beautification of the display as these trees are a big part of the winter decoration.

We would like to share this donation information with you and the Board so that you are aware of the generosity of this local company to Jackson County.

Sincerely,
