**Subject:** WCU Fireworks

Don,

WCU plans to have a fireworks show after the home opener football game on September 4<sup>th</sup>. This show will be permitted through the Office of State Fire Marshal but they still need the board of commissioners approval. Please place this request on the next available agenda for action.

The display will originate from the field across the creek from the stadium, out behind the Camp Building. They have held shows there before and it is an approved site. Showtime will be immediately following the game.

Thanks,

Tony
