Hi Angie.

All three of these individuals have shared with me that they do have an interest in continuing to serve as members of this committee. I would provide my highest recommendation to the Commissioners to consider reappointment of all three.

In addition, Mr. Wooten had requested some 12-18 months back that we append all of the term expiration dates to coincide with the end of a respective calendar year. We did make that adjustment on 2 of the members, and I'd like to request that same change to be applied to the rest of the committee. My recommendation would be to simply extend the term of each committee member to 12/31 of the year of their term expiration.

Rich

Hi Rich, my info shows there are three appointments set to expire on April 15th on the Business and Industry Advisory Committee. Do you have recommendations for reappointment or suggestions that I can pass along to the Commissioners? Thanks!
