Good Morning,

We had a productive meeting last night with the 441 Corridor Planning Council. I mentioned that the members terms are to expire August 1, 2015 and explained that those who have not served the maximum two terms may continue if they wished and were appointed. There is interest from Dora Robinson, Myra Cloer and Debbie Cowan to continue but they are not 100% positive. Additionally, they were unsure of their term lengths. It appears that a new Planning Council will need to be appointed. Your thoughts?

Regards,
