Subject: Approval of Extension Request (3)
CDBG Numbers: 12-C-2421 (SSH)

Dear Chair McMahan:

We have received and reviewed the county's request for an extension. Upon our review of the County's request, Commerce will extend the date funds must be expended and activities completed to May 30, 2016 and closeout deadline to June 24, 2016. **If the closeout documents have not been submitted by June 24, 2016 Commerce will de-obligate any remaining funds.**

Please note that the Grant Agreement required that the County adhere to the dates and terms of that document. These dates were reinforced during the start-up visit with your Grants Management Representative and signed by the County's representative. According to the Grant Agreement and remedies outlined in 04 NCAC 19L, the funds for this grant should be de-obligated because the timeframe will not be met. **For this reason, Commerce will not grant any further extensions for this grant.**

If you have any questions, please contact Ms. Vanessa M. Alexander, Grants Management Representative at (919) 814-4678.

Sincerely,

A handwritten signature in cursive script that reads "Melody Adams".
