Angie,

Can you place me on the consent agenda for the May 21, 2019 commissioner's meeting? We have a request for commissioner approval of a WCU fireworks show for the first football home game on August 31, 2019. Because their actual fireworks display permit goes through the state fire marshal's office, they have to submit very early but still need local commissioner approval before they can submit and begin promoting the show.

It is also possible that I will have all of our July 4th fireworks shows here in the county ready for approval as well.

Thanks,

Tony
