

*Jackson County CDBG
Scattered Site Housing
Grant # 12-C-2421*

Jackson County received this grant in the amount of \$225,000 to rehabilitate four homes and complete emergency repairs on two homes. Rehabilitation on each home is not to exceed \$40,000 or \$38 per square foot and emergency repairs are not to exceed \$5,000 per home.

All funds were expended, six homes were rehabilitated and two homes were completed with emergency repairs funds. Due to the square foot limitation on the amount of funds to be spent on rehabilitation of each home, two additional homes were able to be rehabilitated.

Additional funds in the amount of \$23,800 were used to make these projects work. In addition to these funds enabling the work to be completed they also enabled additional energy efficiency measures to be completed, which helps to lower future utility bills for these clients.
