## MEMORANDUM

To: Jackson County Board of Commissioners

From: Norma Taylor, Transit Director

Subject: FY 21-22 5311 Community Transportation Program Grant Application/ FY 21-22 5310 Elderly and Disabled Program Grant Application

The purpose of this memo is to give you an overview of the above grant applications. I have asked to be placed on the November 3, 2020 agenda to request board approval on a resolution to make application for the grants identified in the above subject line. A joint public hearing is acceptable for both applications and has been scheduled by Mrs. Winchester for 5:55 pm on November 3, 2020 as well. These grants are made available annually through the state to assist transit systems with operating, administrative and capital funding. The 5311 program grant supports the director and assistant director's salaries and fringes as well as administrative costs such as office supplies, drug and alcohol testing, uniforms and marketing. The 5310 program supports operating costs for elderly and disabled transportation. Listed below is the estimated funding request which includes the match required by the county for each program. Due to uncertainty of the FY 2022 state budget I am asking for a 20% local match by the county, with the understanding that if NCDOT/ Integrated Mobility Division's budget allows this will be the customary 15% local match with a 5% state match.
