Re: Termination of all Leases for Advertising and Billboards between the County of Jackson and Allison Outdoor Advertising

Dear Mr. Dicks:

Please find this letter to be the required written six (6) month's notice of termination of all Leases the County of Jackson currently has with Allison Outdoor Advertising for advertising and Billboard use. We specifically reference Lease No. 2228 dated May 24, 2012 and located on US 441 and Lease No. J-246, dated February 2, 1976 on West Main St., identified as Highway 19A and 23 on the lease, but want to include in this termination, any and all leases between the County of Jackson and Allison Outdoor Advertising for advertising and billboard use.

The leases between the County of Jackson and Allison Outdoor Advertising will thereby terminate on March 19th, 2021. Please let me know if I can answer any questions or be of further assistance.

Sincerely,

Brian Thomas McMahan
Chairman, Jackson County Board of Commissioners
