Dear Mr. Don Adams and Mr. Todd Dillard:

First off would like to thank you for all of the work that you put in to get our department and others paid staff. This will be a game changer for us. The Board of Directors and the Officers have been discussing how we would like to put this employee to the best use for our department.

We would like to request for the payout for the employee so that the employee that is hired is an employee of Glenville-Cashiers Rescue Squad. This would be a Forty hour a week job. We are already set up for payroll and have work mans comp in place for employees.

Thank you for your time and consideration in this matter, we look forward to hearing from you.

Sincerely,

Jeff Stewart
Chief
Glenville-Cashiers Rescue Squad
