Chuck,

We agreed to pay ROK 225,000.00 for development. I'll email the contract, including email correspondence concerning the contract following this email. Ongoing, we pay ROK a hosting fee of \$1,000.00 monthly for the Permitting software, which houses our data off-site in two locations for fail-safe. We also pay ROK – a yearly maintenance fee of \$31,000.00 for the Permitting software.

Total yearly fees - \$43,000.00

Let me know if you need additional info.

Thanks,  
Kelly

Kelly,

Do you have the ROK contract for renewal? Also, do you know the amount we agreed to pay for the software program development for Permitting and Code Enforcement?

Thanks  
Chuck
