## About

The North Carolina Association of County Commissioners is excited to begin our legislative goals development process for the 2021-2022 biennium and we encourage all counties and county officials to participate. The NCACC goal setting process is open, inclusive and deliberative and is designed to give all 100 counties a voice in developing the Association's legislative agenda.

Before each biennial session of the General Assembly, counties submit their proposals to the Association for commissioners from across the state to review, debate and ultimately approve a comprehensive goals package.

The setting of the NCACC's legislative agenda is completely member driven, making your participation critical to our success in serving and representing all 100 counties at the General Assembly.

## How to Submit a Goal

All legislative goals must be submitted electronically via the form at [this link](#). The form should be filled out in its entirety and include either a resolution from the Board of Commissioners or a signed letter from the Chair of the Board submitting the goal on behalf of the entire board. The deadline to submit goal proposals is September 30, 2020.

## Further Questions?

If you have any questions about the process or need help developing a goal, please contact [Amber Harris](#), NCACC Director of Government Relations. You can also review the [NCACC Legislative Goals Handbook](#), which describes the process in more detail.
