Hello Ms. Lovedahl,

I received your request to put the Board of Elections on the agenda for the July 11 work session. I will be preparing this agenda and packet as I do all work sessions. Please provide me the topic of discussion requested to be put onto the agenda and all information to be presented. If placed on the agenda the information to be presented will be put online with the agenda (as with all other items). My goal will be to post the 7/11/17 agenda by July 5. Please provide me with this information prior to July 5. If you have any questions please feel free to give me a call.
