RE: US 441 Development Ordinance Amendment

The US 441 Planning Council and the Planning Staff have worked on amendments to Article V Character Areas- Section 5.4 Use and Design Standards of the US 441 Development Ordinance. The proposed amendment would allow "Camp, campground" as a permitted use in the Planned Residential (PR) District. The US 441 Planning Council held a public hearing on October 15, 2018 and recommended approval of these amendments to the Planning Board. The Planning Board reviewed the amendment on December 13th, 2018 and recommended approval to the Board of Commissioners. The Jackson County Planning Department is requesting that the Jackson County Board of Commissioners consider calling for a public hearing at the February 5th, 2019 meeting at 5:55 p.m.
