Welcome Home Meal Funding for 210th MP Co of Army National Guard

Dear Mr. Adams & Commissioners,

As you know, the importance of support from home, both while serving stateside and deployed overseas, is a key factor in the morale of a service member. The little things we do make a big difference to them.

The 210th MP Co of the NC Army National Guard recently returned from a deployment, and the Veterans Council of WNC, along with support from the community, would like to say thank you to those soldiers and their family members. The 210th has approximately 150 soldiers, and about half of those soldiers are from the western counties of NC. We expect to feed around 600 people at the meal with soldiers and family members.

On behalf of the Veterans Council of WNC, thank you for committing to a donation of \$2500 to support this effort.

We would also like to invite you to volunteer your time. The soldiers and their family members are so grateful for our support, and I hope you will be able to be there with us as we show our appreciation on February 9, 2019.

Please let me know if you need further information.
