Andy Brogdon  
West River Construction, LLC  
(via Hand Delivery)

Mr. Brogdon,

Article X of the Jackson County Unified Development Ordinance authorizes the Director of Permitting and Code Enforcement to suspend building permits and inspections for continued off-site sedimentation from development projects. As you know, your site located off of Dr. Killian Rd. in Cullowhee and identified as the WCU Millennial Apartments has had repeated instances of off-site sedimentation coming from your grading activities.

This is to inform you that continued instances of off-site sedimentation from your project may result in suspension of all building inspections on the site until the sediment damage has been remediated and the cause of the problem is remedied.

Please let me know if you have any questions,

Sincerely,

A handwritten signature in black ink that reads "Tony Elders". The signature is written in a cursive, flowing style.

Tony Elders  
Director  
Jackson County  
Office of Permitting and Code Enforcement
