Ref: 210<sup>th</sup> MP Co Pre-deployment Dinner

Mr. Adams,

I would like to take this opportunity to provide the information requested concerning the proposed pre-deployment dinner for the 210<sup>th</sup> MP Co. In partnership with the Western Carolina Veterans Council, Jackson County Veteran Services will host this event scheduled for the 26<sup>th</sup> of November and it will be held at the Burrell Building on SCC Campus.

We plan to provide meal service for our local Guardsmen and their families and expect between 400 and 450 total to attend. The 210<sup>th</sup> MP Co has had a prior event under their "Yellow Ribbon" program in Charlotte, however due to the location most of the family members were not able to attend. The WNCVC and our office would like to ensure that our Guardsmen and their families get a proper send off as they deploy soon for several months.

Since this event is not an annual event there are no funds allocated in the Veterans Services budget. We would like to request funding for this event in the amount of \$2500.00 dollars. The WNCVC will provide the additional funds required for this event. Please see the attached quote provided by Mr. John Faulk for the total cost for this event.

Thank you for your consideration in this matter and I trust that we will be able to provide a much deserved service for those who serve us so well. If you have additional questions please feel free to contact our office at 828 631-2231

Thank you,
