RE: County sidewalks

As a follow-up to the October 10, 2017 Board of Commissioners work session, staff is requesting that the Board adopt the following motion to authorize the County Manager to accept and maintain sidewalks developers construct in accordance with our ordinances and to execute three party agreements with NCDOT.

Motion-

“To authorize the County Manager to accept and maintain sidewalks that are constructed in our zoned districts per ordinance requirements (Cashiers Commercial Land Development, US 441 Development, and Cullowhee Community Planning Area Development) and to execute required three party encroachment agreements with NCDOT and property owners.”
