

COMMISSIONER GOAL PRIORITIZATION:

Complete:

- Performance evaluation for the county manager.
- Referendum or resolution on when to put sales tax issues on a ballot.
- Re-focus on one stop issue
- Combining social services and health department
- Indoor pool at Cullowhee Recreation Center – Bond Referendum. Referendum tabled and will have to wait until next general election to be considered to be placed on ballot.

Ongoing:

- Administration and departmental goals. Departments were instructed to document their accomplishments on FY 17-18 goals. They were also instructed to establish some measurable goals for the FY 18-19 year.
- Land Use Plan - follow up with the plan and support departments. The action items listed in this plan were distributed to County departments that have direct responsibility for the particular action item. They were instructed to include at least some of these items in their FY 18-19 goals. Planning Department has provided an update on 1st year accomplishments.
- Off-site meetings in different communities from time to time.

In Progress:

- Capital projects and where they would be located.
 - Joint meeting held with Town of Dillsboro and with WCU representatives at 5:30 pm on March 5, 2018 to discuss the closed landfill, Staffed Recycling Center & Green Energy Park Campus.
 - Board authorized staff at March 19, 2018 regular meeting to proceed with requesting the Town of Dillsboro to make changes to zoning to allow for proposed use.
 - Staff presentation to Dillsboro Planning Board on May 15, 2018.
 - Town of Dillsboro will hold public hearing on June 11, 2018.
- Affordable housing.
 - Initial planning meeting held 12/11/17.
 - Planning Department created an executive summary of existing programs.
 - Committee met on March 20, 2018.
 - Staff met March 28, 2018 to continue discussions.
 - Recommendation for housing committee at June 2018 work session.
