

Savannah Community Development Center

Sylva, NC 28779

November 4, 2019

Mr. Don Adams, County Manager
Jackson County Justice Center
401 Grindstaff Cove Rd.
Sylva, NC 28779

Dear Mr. Adams:

On behalf of the Savannah Community Development Center (CDC) Board of Trustees, I would like to take this opportunity to first thank the Jackson County Board of Commissioners for their support of our Community Center's past improvement endeavors to our building and grounds. Without this support we would not have been able to improve building and grounds conditions for our community. Our Board thanks Jackson County for this support.

Currently, we are in need of removing several trees on the property behind the building that pose potentially hazardous conditions that may possibly endanger the personal safety of those who may be on the grounds as well as the building structure itself. We have received estimates on the removal of these trees and the costs are extremely expensive.

Considering our limited resources, additional heating and fuel expenses during these winter months, and additional needed repairs and upgrades, we are asking for consideration of assistance in paying for the removal of these trees. The estimate from Jeff Pholson for this work is as follows:

- 1) Cutting of trees only \$ 6,700
- 2) Cutting of trees/removal/cleanup \$12,200

We appreciate consideration of any assistance the County might be able to provide and look forward to hearing from you. If you have any questions or need further information, please call me at (828) 342-8877.

Sincerely,

Randy Cabe, President
Savannah Community Development Center
